Optional stop in Oppdal: [musk ox safari](#)

Musk oxen originally come from Alaska, Canada and Greenland. So why are they living in Dovrefjell?

Dovrefjell National Park is now the home to over 250 musk oxen, which were reintroduced here from 1930's-1950's. And, more important, it's the most accessible place in the world where you can see musk oxen! If you're animal photographer or wildlife lover, you are welcome to join this special experience.

Day 2: Øksendal - Valldal

Driving from Øksendal to Valldal takes you on a mesmerizing journey through some of Norway's most spectacular landscapes. Leaving behind the tranquil beauty of Øksendal, the road winds its way through valleys and along fjords, offering breathtaking vistas at every turn. From May to October optional route via Trollstigen road. The road is part of the [Norwegian National Scenic route](#).

Optional stop in Åndalsnes, see next page for activities.

Distance: 167 km Map via Trollstigen

Day 3: Valldal - Øye

Embark on a scenic journey from Valldal to Øye, immersing yourself in the stunning landscapes of western Norway. Begin your adventure by departing Valldal, a picturesque village nestled between towering mountains and the serene waters of the fjord.

Continuing your voyage, you'll pass through Stranda, where you can pause to admire the breathtaking scenery or perhaps indulge in some local cuisine at one of the cafes or restaurants. Next, your journey takes you to Hellesylt, a quaint village situated at the head of the UNESCO-listed Geirangerfjord. Here, you'll have the opportunity to witness the awe-inspiring waterfalls cascading down the steep cliffsides, creating a spectacle of nature's grandeur.

Finally, arrive at Øye, a historic village nestled on the shores of the Hjørundfjord, where you can unwind in luxurious [Hotel Union Øye](#) and bask in the tranquility of the surrounding landscape. Take a leisurely stroll along the waterfront or embark on a hike to explore the nearby mountains, soaking in the serenity of this idyllic destination.

Day 4: Øye - Stryn

The drive starts from Hotel Union Øye, located in Norangsfjorden. From there, we recommend you take County Road 60 (Rv60) heading northwest towards Stryn.

You will pass through Norangsdalen, a picturesque valley known for its dramatic landscapes with steep mountainsides, waterfalls, and scenic viewpoints. This part of the drive offers stunning natural beauty and opportunities for sightseeing and photography.

As you continue on Rv60, you'll pass northern Europe's deepest lake, Hornindalsvatnet. Be prepared for winding roads and narrow passes, as you'll navigate through this rugged terrain.

Eventually, you'll arrive in Stryn, a municipality in the Nordfjord region known for its glaciers, mountains, and outdoor recreational activities.

Optional activities day 4

E-bike [Flofjellsvegen](#) by Uteguiden

This is a one of a kind e-biking trip in this region where you will get goosebumps due the scenic surroundings on our way up towards Flofjellet. A full day bike trip over a mountain pass on an old trailroad that was connection Møre & Romsdal with Sogn & Fjordane.

Day 7: Sandane - Nordfjordeid

From the idyllic village of Sandane to the charming town of Nordfjordeid, where the journey is as enchanting as the destination itself. Crossing the Nordfjord you'll have the unique experience of boarding an electric ferry at Anda, destined for Lote. Glide across the tranquil waters, surrounded by towering mountains and pristine nature, as the electric ferry silently navigates its way across the fjord. Upon reaching Lote, continue your drive through picturesque landscapes, with lush valleys and rolling hills unfolding before you arrive in Nordfjordeid, you'll be greeted by the welcoming atmosphere of this historic town.
